PLEASE NOTE: **If you have selected additional data quote feeds for your current account, your account may be subject to multiple charges for each additional usernames' access to these feeds (i.e. CME, Options, etc.). Your password of the multiple usernames is defaulted to the same password as your original account. If you would like to reset your password for the additional usernames or have questions concerning the pricing of these additional feeds, please call our support desk at 866-628-3001.**

Customer acknowledges and agrees that the multiple usernames established pursuant to this Agreement are subject to, and governed by, the terms of the New Account Customer Account Agreements executed by the account holder during the account opening process and all supplemental changes to the New Account Customer Agreements as provided by MB Trading and/or MB Trading Futures. Customer hereby reaffirms and repeats all representations, warranties and covenants in the New Account Customer Account Agreements both in respect of the multiple usernames established pursuant to this Multiple Username Request Form and the New Account Customer Account Agreements. Customer also represents that it will notify MB Trading and/or MB Trading Futures of any material changes in writing.
